**Smaller Learning Communities (SLC) Grant  
Goals and Objectives**

- I. To increase student achievement**
- II. To increase the graduation rate**
- III. To improve the school culture**
- IV. To close the achievement gap**

Instructions: Answer each of the following questions on the blank SLC Project Proposal form and submit to Sharon Buie.

1. Goal/Objective

What do you plan to achieve as a result of implementing your grant project? Utilizing the general goals and objectives of the SLC Grant, identify a specific goal that your project can accomplish.

2. Target Population

Describe the student population that will be impacted by this project? How many students? Grade Level? Academy/Pathway?

3. Project Description

What is it that you want to do in your classroom, department, academy, and/or school that addresses the goals and objective of the SLC Grant? Describe your project in one paragraph.

4. State the intended outcome of your project.

How do you know you have reached your goal? Is it measurable? How will you measure the results?

5. Funds Requested, if necessary \$ \_\_\_\_\_

Complete and attach the necessary information on the **Purchase Order** to support your project.
